**A Message from Keith Lewis  
Executive Director of HSI**

The Board of Directors and I are excited as we celebrate the 40th Anniversary of Horizon Services, Inc's. (HSI) service to the community. We believe that we have grown to be the thriving multi-service agency we are today because of all the people who have given us their support and trust over the past years. We would now like to ask that those who have supported us in the past (individuals, families, vendors, friends, community members and participants) continue supporting us by purchasing a *Champion* leaf on our Recognition Tree. On this tree there are 500 leaves and each leaf will honor a person, family, group or vendor that wants to be forever inscribed into HSI' story. *Champion* donations supplement the funds we receive from our government contracts so we can continue the recovery and prevention services for which we have become so well known.

A *Champion* donation for our Recognition Tree will allow the donor to inscribe a leaf with their name or the name of a person or group they want to recognize. Give it as a gift for a birthday, anniversary or special occasion.

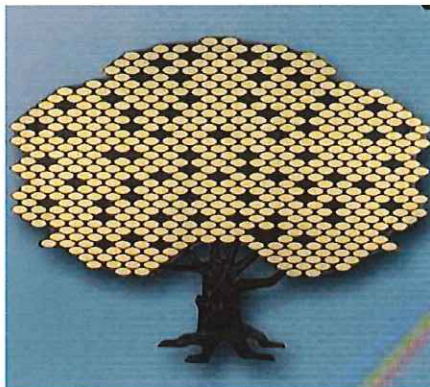

\$200+ is a Gold Leaf Champion

\$150—\$199 is a Silver Leaf Champion

\$100-\$149 is a Green Leaf Champion

**Who would you Champion?**

- Treatment and Recovery clients.
- Past and current participants, family, friends and community members.
- Past and present donors.
- Past and present community members who have been part of our prevention efforts.
- Memorial leaves for someone who contributed to Prevention, Treatment and Recovery programs or services.
- Someone you care about and that you want them to know you are supporting them in their recovery.

**The HSI Recognition Tree.**
